Runners from South County and beyond compete in the 32nd annual Wildflower 10/5K run March 29 at Live Oak High School in Morgan Hill.

This year, 1,166 runners participated and raised over \$45,000 for the Morgan Hill Branch of the American Association of University Women. AAUW uses that money for scholarships for women and girls.

Gilroy's Shannon Thornton won the women's 5K stroller division and was the lone Garlic Capital runner to place in the Top 3.
