

Wildflower Run Enjoys a Strong Finish by Robin Shepherd

AAUW-Morgan Hill's 2018 Wildflower Run was a great event all 'round. Lots of runners and walkers of all ages. Vendors like St. Louise Regional Hospital and Rebekah Children's Center were there with informational flyers and all kinds of tchotchkes for attendees. I got to walk a few laps with some spirited local folks. SCVWD was there with a water truck (no nasty plastic bottles!). Paparazzi from Morgan Hill Photography Club snapped pix of contestants. Hats off to AAUW-Morgan Hill for raising funds for scholarships and programs for women and girls at this 35th anniversary event! [@aauwmh](#)
